Farm Tribe 2019 Full
Game Farm Tribe 3
Farm Island Mod Find
and obtain, grow, cook
and eat! Farm Tribe is a
resource management
game inspired by the

story of the Mayan's tribe and a farm in the Amazon rainforest. Download Farm Tribe Offline Setup now! Get the latest version here: Features: - Build farm and expand it - Grow crops, pick off wild plants and catch fish - Cook them and eat - Find and obtain items - Protect your farm - Hire

workers to do your jobs - Use a computer to make your work easier - Build a mansion on your farm - Collect resources from your farm - Trade with neighbors - Play different games - Unlock achievements - Don't forget the dartboard How do I build a farm, start a farm? To start a farm, click on the "Create a

farm" menu and choose a grassy land. Choose a location near a coast and start your farm! How do I play Farm Tribe? Click on the "Freeplay" menu to play in free mode. How do I view the results? In the game, you are given a number of workers and the task to use their skills to achieve your goals. You will also

receive missions and errands from villagers, and solve them! Some of them will be in exchange of money, some will be given as rewards and some will be hidden in the mountain or ocean! In the game, you will see a bar at the top to see how many items and skills your workers have! How do I move the

cursor? Click on the "Cursor" menu to set the cursor position. The red dot is on the left of the village and the green dot is on the right of the village. If you click on the screen, you can control the cursor! How do I navigate through the game? Use the "Help" menu to go to the game's help screen. You have

the following menu: Monomachine - Allows you to switch the mode of the game Pause - Pause the game (can be re-activated) Exit - Exit the game Options - Allows you to customize the game Help - Allows you to go to the help screen. How do I complete the active tasks? In the game, there

are five tasks
