System Requirements:

Memory: 20MB Software: Windows XP/Vista/7/8 Hard Disk: 8MB Network: Internet Connection The game features a rather large, stylized, and unique graphical engine. Although the game did not have the best graphics, it was entertaining nonetheless. Using the keyboard, you can zoom in and out for a closer look. This is useful for locating items. The weapon switcher is on the bottom right hand side. Like in Team Fortress 2, you can switch between several weapons with the number keys. Unlike TF2,
